Before proceeding to the business of the Agenda, the Vice-Chancellor said he was glad to welcome the new members of the Senate and he offered a special welcome to Sri K. D. Rukminiamma, B.A., as probably the first lady-member of any University Senate in India.

The following questions were then answered by the Vice-Chancellor:—

I. *Question* by Mr. M. T. Narayana Iyengar.—In connection with the next B.A. Degree Examination is it proposed to take any action to give effect to Ordinance 72, viz., "Credit shall be given for regular work and progress during the years of study at the University."

If not, is it not desirable to appoint a Committee to draw up a definite scheme (suitable for subjects like Mathematics wherein regular work and progress cannot be tested by library and laboratory note-books), so that it may be given effect to in the following years?

Answer.—The question relating to the supervision of laboratory work of students in Physics and Chemistry has been referred to Messrs. Metcalfe and Usher. No report has been received. It has been decided to refer the whole question to the Faculties, and if necessary the Boards of Studies, to prepare a comprehensive scheme for future years. At the coming B.A. Examination, effect will be given to the Ordinance as far as practicable.

II. *Questions* by Mr. B. Venkatanaranappa.—

1. [Ordinance No. 51 (new).]

Q.—(a) What is the procedure adopted when a candidate has been successfully returned by more than one electorate?

A.—He is taken as elected by one of the electorates according to the discretion of His Highness the Chancellor.

Q.—(b) Did any case of this kind occur at the last election?

A.—Yes.

Q.—(c) Why may not the fact of a candidate having been successfully returned by more than one electorate be published?

A.—There seems to be no particular use in doing so.

2. [Ordinance No. 85 (new).]

Q.—(a) Should the number of scholarships be also taken into account in calculating the number of free-studentships awardable in each class?

A.—Yes.

Q.—(b) If so, in view of the fact that special scholarships such as the Backward Community scholarships, Lady scholarships, Mahomedan and Pollegar scholarships are awarded on special considerations, could not these be left out of account in calculating the 33 per cent of the total number of students in each class, to whom free-studentships may be awarded?

A.—A revision of the rule is suggested.

The question has been referred to Government and is pending orders.

Q.—(c) Could not the Committee referred to in this clause of the Ordinances be empowered to allocate the free-studentships without having to wait for sanction of all the scholarships?

A.—There is no objection as a general rule, but this year it has been impossible because the question of the number of freeships is still before Government.

III. [Ordinance No. 98 (new).]

Q.—(a) What steps have been taken by the University to enforce the observance of this clause of the Ordinances?

A.—Committees have been appointed in both places, and some action has been taken. A report has been called for.

Q.—(b) Does the University contemplate providing proper accommodation to, and suitable arrangements for supervision over, such of the University students as are too poor to reside in the University Hostels?

A.—The suggestions of the Committees will be called for.

1. That the Faculty of Oriental learning be instituted under the University as recommended by the Committee appointed for the purpose and as further explained in the note of Dewan Bahadur Mr. J. S. Chakravarti.

Dewan Bahadur Mr. J. S. Chakravarti proposed to modify the proposition in accordance with the terms of the amendment of which he had given notice and which appeared in the Supplemental Agenda.

In moving the proposition, he gave a brief outline of the history of the question and then explained the broad features of the scheme as recommended by the Select Committee. He showed how the matter began to receive consideration even before the University was started. He thought a separate Faculty for Sanskrit studies was necessary, as the existing system of Sanskrit education did not meet all requirements. The creation of a separate Faculty of Oriental learning would do much to give dignity and tone to and to develop the study of Sanskrit. He appealed to the Senate to preserve and foster and cherish the ancient culture of the land by establishing an Oriental Faculty.

Rao Bahadur Mr. M. C. Rangiar in seconding the proposition referred to the prevailing methods of study, and explained how the scheme would enable students to obtain a real mastery over the language and to communicate their thoughts to the outside world.

Mr. C. R. Reddy opposed the motion and said that Mr. Chakravarti's proposition was not an amendment properly so called and might be ruled out of order.

Mr. B. Hanumanta Rau also expressed the same opinion.

The Vice-Chancellor decided to allow Mr. Chakravarti's motion.

The Rev. Mr. Fuller asked why Oriental learning should be limited to Sanskrit, and why Persian should not be included.

Mr. C. R. Reddy opposed the motion. He thought the so called Oriental Faculty was not comprehensive and that the Committee which met to consider the question was not quite representative in character, *e.g.*, did not contain a Mahomedan Member. The amount of English which the students of the proposed Faculty were required to learn was insufficient. Moreover this being a special Faculty, a Special Entrance Examination would be necessary. All that the Oriental Faculty proposed to do could be done just as well in the existing system. Finally, he suggested the appointment of a Committee to go into the whole question.

Mr. D. Venkataramaiya opposed the motion on the following grounds:—(1) The probable paucity of students; (2) The general impression among the Pandits that a knowledge of English vitiates the study of Sanskrit; (3) Lack of prospects for B.O.L. and M.O.L. students; (4) The new scheme of Sanskrit studies recently sanctioned had not been tried yet; and (5) Other essential activities had not received attention, *e.g.*, the training of teachers.

Mr. C. S. Balasundaram Iyer opposed the proposition.

Dr. Mylvaganam thought there was no demand for Oriental learning.

Mr. S. Hiriyannaiya also opposed the motion. He said that, speaking from the abstract point of view, Oriental learning should appeal to all, and in the Mysore State, Oriental

Studies should be well organised. But they were barely 15 months old and several new faculties were coming into existence. The University had not given an adequate place to the vernaculars. He therefore thought that the proposed scheme was at this stage premature.

Dr. Radhakumud Mookerji supported the motion. He said that the Hindu University with its slender resources had started two faculties of oriental learning. The Mysore University was an Indian University and it must affiliate itself to the international comity of letters. Every Indian University must be Indian first. It must express Indian aspects and give expression to Indian culture.

Messrs. Srinivasacharya and Mir Humza Hussein opposed the motion.

Mr. Karpur Srinivasav strongly supported the proposition. He said that as regards the development of vernaculars, separate action should be taken in an altogether different direction. The faculty might be limited to Sanskrit in the first instance, the majority in the State being Hindus. Later on, Arabic and Persian might be added. The cost involved was inconsiderable, but the cultural value derived was important.

After some further discussion, Mr. N. S. Subba Rao proposed that the question be put to the vote under Rule 27, further discussion being stopped. The Rev. Mr. Fuller seconded.

Twenty-eight votes were recorded in favour of closing the discussion and 5 against.

Accordingly the motion was put to the vote.

Ten votes were recorded for and 22 against.—*Lost*.

2. That the University Examinations be held at Bangalore and Mysore from the 20th March to end of 1st week in April.

Moved by Mr. Thos. Denham and seconded by Mr. N. S. Subba Rao.—*Passed* unanimously.

3. Appointment of Members of the Board of Audit under Ordinance 25.

Mr. N. S. Subba Rao proposed that the existing members, viz., Messrs. C. Srikantesvara Aiyar, M. T. Naranengar and B. M. Srikantia do continue for another year. Mr. M. C. Rangienar seconded.—*Passed* unanimously.

4. Proposition by Mr. C. R. Reddy:—

"That it be a recommendation to the Council to take the necessary steps to make physical education compulsory for students in the Mysore University."

Mr. C. R. Reddy moved his proposition and Mr. K. Chandy seconded it.

Mr. M. Venkatakrishnaiya opposed the motion. He observed that there were cases where the constitution of students was such that indulgence in violent physical exercise would be dangerous. Physical culture should not be made compulsory.

Mr. P. Raghavendra Rao also opposed the motion. The Rev. A. R. Fuller strongly opposed the proposition and said that to his recollection this subject had come before the Senate on three occasions. It was most undesirable that questions on which the Senate had given a decided opinion should be persistently re-introduced. He was of opinion that the University should provide every facility for physical education, but that there should be no compulsion. This would be distinctly derogatory to the dignity of the University and the dignity of the students.

The proposition was put to the vote. Four voted for and 27 against.—*Lost*.

5. Announcement of the result of the election of the Dean of the Faculty of Arts. (Consequent on Mr. J. G. Tait's resignation.)

The Vice-Chancellor announced that Mr. Thos. Denham had been elected Dean of the Faculty of Arts.

6. Amendments to Ordinances:—

(a) In Ordinance 18, after "X. Teaching," add the following:—

xi. Engineering.

xii. Commerce.

Moved by Mr. K. R. Seshachar and seconded by Mr. S. V. Setty.—*Passed* unanimously.

(b) To Ordinance 42—56, add the following:—

"A student shall be considered to have studied for a year at the Collegiate High School if he shall have attended not less than three-fourths of the number of working days during the year and if his conduct and progress have been satisfactory."

The Council shall have power to exempt any student from such attendance on the recommendation of the Heads of Institutions."

Moved by Mr. N. S. Subba Rao and seconded by Mr. B. M. Srikantia.—*Passed un-*
animously.

(c) In Ordinance 44—58,

(i) Insert a comma after 1915-16 and omit the word "or."

(ii) After "1916-17," insert "1917-18 or 1918-19."

(iii) At the end of the sentence, add the words "This privilege shall be extended to Mysore students of other Universities."

N. B.—The Ordinance as amended will read as follows:—

"44—58. As an exception, those who pass the Intermediate Examination of the Madras University from any College in 1915-16, 1916-17, 1917-18 or 1918-19, shall be admitted as students of the second year class of this University. This privilege shall be extended to Mysore students of other Universities.

Moved by Mr. N. S. Subba Rao and seconded by Mr. B. M. Srikantia.

Twenty-one voted for and none against. *Passed.*

(d) Add the following to the second para of Ordinance 44—58:—

"The privilege will extend to similar students of other colleges, if they are natives of Mysore."

Moved by Mr. N. S. Subba Rao and seconded by Mr. B. M. Srikantia.

The Rev. A. R. Fuller suggested the omission of the words "if they are natives of Mysore."

The Vice-Chancellor explained that the position of natives of Mysore who had been obliged to go outside for want of room in our colleges or other reasons was different from that of outsiders. The amendment was not pressed.

The proposition was put to vote. *Passed unanimously.*

(e) For Ordinance 47—61, substitute the following:—

A student shall be considered to have studied for a year at the University, if he shall have attended not less than three-fourths of the number of working days during the said year, and his conduct and progress have been satisfactory.

N. B.—The Council shall have power to grant exemptions in respect of term certificates on the recommendation of Heads of Institutions.

Moved by Mr. N. S. Subba Rao and seconded by Mr. B. M. Srikantia.

Twenty-two voted for and none against. *Passed.*

(f) Ordinance 51—65:—

(1) In II Second Language, insert a comma in place of 'or' after Hindustani and insert 'or Persian' after 'French.'

Moved by Mr. E. P. Metcalfe and seconded by Mr. M. C. Rangienagar.—*Passed un-*
animously.

(2) In III (b), add the following proviso at the end:—

Provided that the Council may, on the recommendation of the Principal, allow any two subjects selected out of both the groups to be taken together in any case.

Moved by Mr. E. P. Metcalfe and seconded by Mr. P. Raghavendra Rao.—*Passed un-*
animously.

(g) In Ordinance 55—69, after "X. Teaching" add the following:—

xi. Engineering.

xii. Commerce.

Moved by Mr. Thos. Denham and seconded by Mr. N. S. Subba Rao.—*Passed un-*
animously.

(h) Amend Ordinance 59—73 as follows:—

"No candidate shall be declared to have passed the Entrance Examination unless he obtains 40 per cent of the total marks and 35 per cent of the marks allotted to each of the following subjects:—

(1) English, Second Language, Physics, Chemistry, Mathematics, or Natural Science,

Or

(2) English, Second Language, History, Logic, Economics, or Sanskrit or Persian.

Mr. Mir Humza Hussein moved the proposition and Mr. Thos. Denham seconded it.

Mr. M. T. Naraniengar moved the following amendment:—

(a) That the following be substituted for VI (h) of the Agenda:—

No candidate shall be declared to have passed the Entrance Examination unless he obtains 35 per cent of the marks allotted to each of the following:—

- (1) English,
- (2) Second Language,
- (3) Optional Group,

provided that candidates failing to get 25 per cent in any one division of the Optional Group shall be considered to have failed in the examination.

Mr. V. S. Sambasiva Iyer seconded.

Mr. M. C. Rangiengar opposed the amendment on the ground that it would lower the standard.

Mr. C. S. Balasundaram Iyer considered the proposition laid down a harder text and opposed both the amendment and the proposition.

Mr. C. R. Reddy proposed the following amendment to Ordinance 73:—

For the words "in each of the other subject groups" substitute the words "in each of the divisions which comprise the optional group"

The sense of the meeting was taken to allow this amendment.

Twenty-three voted for and 9 against.

Mr. Mir Humza Hussein proposed that the Senate should go into committee. Mr. B. Hanumanta Rau seconded.

Ten votes were recorded for and 8 against.

The Senate accordingly went into committee at this stage.

Mr. C. S. Balasundaram Iyer suggested that the whole question might be referred back to the University Council.

Mr. C. R. Reddy strongly opposed the reduction of the minimum in English.

Mr. B. Hanumanta Rau favoured the original Ordinance.

Mr. Mir Humza Hussein proposed 35 per cent for English, Mr. J. S. Chakravarti strongly supported Mr. Mir Humza Hussein's proposal and said that there was no logic in considering that 35 per cent was enough for the 2nd language and optional subjects and not good enough for English. Mr. M. T. Naranaiengar agreed with Mr. Chakravarti.

Mr. McAlpine and Rev. Fuller were opposed to the lowering of the minimum for English.

Dr. Mookerji said that there should be no distinction as regards relative merits of the subjects and proposed 35 per cent for all subjects.

Messrs. K. Chandy, B. Venkatanaranappa and D. Venkataramaiya spoke strongly against the reduction of the minimum for English.

Votes were taken with the following results:—

- | | |
|----------------------------------------------------------------------------|-----------|
| (1) For the proposition that 40 per cent for English should not be reduced | 31 votes. |
| (2) For 35 per cent | 7 votes. |

Second Language.

Thirty-five per cent unanimously agreed.

Optional Subjects.

Thirty-five per cent in each of the subjects comprising the group.

Mr. B. Venkatanaranappa favoured 25 per cent for each subject and 35 per cent for the whole group.

Mr. Metcalfe suggested 30 per cent in each subject and 35 per cent for the whole group.

Mr. C. R. Reddy accepted Mr. Metcalfe's proposal.

Mr. M. T. Naranaiengar moved his amendment and Mr. B. Venkatanaranappa seconded.

Votes were then taken:

- | | | |
|---------------------------------------------------------------------|----------|------------------|
| (1) For having a separate minimum for each subject | 23 votes | } <i>Passed.</i> |
| Against | 13 votes | |
| (2) For 30 per cent minimum in any one subject comprising the group | 22 votes | |
| Against | 15 votes | |

The committee dissolved at this stage.

Mr. C. R. Reddy reported that the following be the minima for a pass in the Entrance Examination under Ordinance 73:

English	40 per cent
2nd Language	35 per cent
Optional	35 per cent for

the whole group and 30 per cent in any one subject in the group.

Mr. P. Raghavendra Rao seconded.

All except 2 in favour.—*Passed*.

(k) For Ordinance 60-74, substitute the following:—

"At the end of the first year, an examination will be conducted by the colleges in accordance with the following scheme under such rules as may be issued by the University Council from time to time.

I. English.

- (i) Composition 1 paper of 3 hours.

- ii. Translation or Composition 1 paper of 2 hours.

"Promotion to the Second Year. Class will be made by the Principal of each college on the results of the said examination, due regard being given to the provisions of Ordinance 72."

In moving the proposition Mr. Denham explained that no Intermediate Examination was contemplated in the Mysore University course. If a Public Examination for the first year were made compulsory on all students, then they would have three successive Public Examinations in three years, viz., the S.S.L.C., the Entrance, and the First Year, and the strain would be too great. Quite apart from the question of the status of their University, their students were finding it increasingly difficult to get admission to outside colleges for subjects which at present were not taught by the Mysore University. The only solution was that their University should become self-contained as soon as was possible. Even students with certificates of the Madras University were shut out from the Medical and Teachers' College at Madras. The idea of a three years' continuous course without any intervening public examination was finding cordial support all over India.

Mr. B. M. Srikantha seconded it.

Mr. C. R. Reddy strongly opposed the proposition. He said that when the University scheme was drawn up, the First Year Examination was instituted under the belief that it

would be recognised by the sister Universities as equivalent to the Intermediate Examination. This would not involve any strain on the students as the final examination did not cover the course studied in the First Year.

Mr. C. S. Balasundaram Iyer opposed the motion.

Mr. Mir Humza Hussein supported the motion.

At this stage Mr. P. Raghavendra Rao proposed that the House do go into Committee. Mr. C. R. Reddy supported.

Fourteen voted for and 17 against the proposal.—*Lost*.

Dr. R. K. Mookerji preferred to have the First Year Examination a Public Examination. He said that the Mysore University could not isolate itself from other Universities, and that therefore there should be a sound test at the end of the 1st year as a token of the efficiency of students.

Mr. Wadia expressed himself in favour of a public examination at the end of the first year.

The Rev. Mr. Fuller proposed the formation of a committee consisting of the following gentlemen to go into the question—

Mr. K. Chandy.

Mr. C. S. Balasundaram Iyer.

Mr. N. S. Subba Rao.

Mr. P. Raghavendra Rao.

Mr. C. R. Reddy.

Mr. E. P. Metcalfe.

Mr. E. G. McAlpine.

Mr. C. R. Reddy seconded.

Mr. Mir Humza Hussein opposed the proposition. On the suggestion of Mr. Thos. Denham the following gentlemen were added to the committee:—

Mr. Thos. Denham.

Mr. B. Hanumanta Rau.

Mr. M. C. Rangiengar.

Mr. J. S. Chakravarti.

Mr. Mir Humza Hussein.

Votes were then taken on Mr. Fuller's proposition.

Thirteen voted for and 22 against.—*Lost*.

Mr. K. Chandy proposed that the original proposition be put up to the vote. Mr. M. C. Rangiengar seconded.

Nineteen voted for and 18 against the proposition.—*Passed*.

The original proposition on the agenda was accordingly put to the vote.

Seventeen votes were recorded for and 19 against.—*Lost*.

(d) In ordinance 63—77, omit the words "and in the First Year Certificate Examination."

(m) (i) Ordinance 65—79, omit the First Year Examination Scheme.

These two propositions on the agenda were allowed to drop.

(ii) Ordinance 65—79, Under "Final Examination for the B.A. Degree." Three Optional Subject. B. (c) and (d) Philosophy Groups I and II, substitute the following for the original:—

(c) PHILOSOPHY, GROUP I.

- | | | |

(3) That in line 3 of Ordinance 45, the words "and willing to serve" be inserted after the words "duly nominated."

Moved by Mr. B. Hanumantha Rao and seconded by Mr. M. T. Narayana. unanimously.

10. That the subject of the Engineering course be assigned to the Faculty of Arts and that of the Commerce Course to the Faculty of Arts.

Moved by Mr. Thos. Denham and seconded by Mr. B. Hanumantha Rao. unanimously.

11. Dr. H. B. Mylvaganam's proposition:—

"In view of the hardships experienced by Mysoreans to enter the Madras and Bombay since our University was created and with the view to University education the Senate strongly urges Government to start a Medical College at an early date."

Dr. Mylvaganam moved the proposition and said that since the Senate had voted in favour of a Medical Faculty, the case for the latter was stronger. The Madras Medical College had excluded the students of Mysore in common with districts from that College, and Mysore students were finding it impossible to study a medical course anywhere in India. He wished to know exactly how they would be treated under the recommendation made to Government by the last Senate.

The meeting was then adjourned to 3 P.M. next day.

Dr. Mylvaganam further explained the cost involved and the materials already available in connection with the establishment of a Medical Faculty or College.

Mr. Karpur Srinivasray in supporting the proposition wished to know why in view of the circumstances explained in detail by Dr. Mylvaganam the Medical Faculty should not be started.

The Vice-Chancellor explained that the matter was pending orders of Government and that no new Faculty could be started in the University unless it was accepted by Government.

Mr. C. R. Reddy thought, that if all the circumstances detailed by Dr. Mylvaganam were placed before the Government a more favourable view might be taken of the matter.

Mr. V. S. Sanbasiva Iyer wished that the matter should be pressed upon the notice of Government.

Mr. P. Raghavendra Rao also expressed the same opinion. Mr. B. M. Srikantia said that if a Medical College was opened it would relieve congestion in some of the other colleges, particularly the Engineering College.

The Vice-Chancellor stated that, in the opinion of many competent persons, the scheme passed by the Senate had not made sufficient provision for necessary expenditure and that a Medical College would be a much more expensive undertaking than indicated therein.

Mr. M. Basava Iya explained the pressing circumstances under which the Engineering College was started and also the immediate necessity for starting the Medical College and urged the Senate to accept the proposition.

Dr. Mylvaganam said that whenever the question of starting a Medical Faculty came in they were told that there was no money and that nevertheless Government had enough money for economic developments and for starting Faculties in mining and metallurgy, etc. He explained how it was easier to start the Medical Faculty than any other Faculty, and how the scheme had been prepared so as to deserve the recognition of the Medical Council of England.

The proposition was then put to the vote.

Twenty-five voted for and none against.—*Passed.*
